### Description

Tableware set with "hunting" decoration. Decorated with deer, dogs, birds of prey, trees, a tablecloth and 30 napkins. Late 19th century. Tablecloth and thirty napkins in linen damask pattern on the theme of hunting with hounds, decorated with deer, riders, dogs, birds. The centers are occupied by hunting trophies, decorated with hunting horns, rifles, dates, game bags, etc. The set is bordered on each piece by a large frieze of scrolls. The napkins are discreetly marked ES. The tablecloth bears the monogram RB in one corner. Dimensions of the tablecloth 320 x 200 cm, napkins 75 x 90 cm. The set comes from the linen room of a castle in the Tarn. (Rare damp stains)
