Description

Exceptional Limoges de Lanternier porcelain service created between 1929 and 1939. This service was hand-painted in the factory's workshops and is largely inspired by the decorations of the earthenware of Marseille of the 18th century. It is enhanced with gold, which is always a sign of high quality. Finally, its octagonal shape is typical of the Art Deco period 1925-1930. Lanternier was renowned for its luxury productions.
