

Holy Water Stoup

350 EUR

Period : 18th century

Condition : A restaurer

Material : Solid wood

Description

Very pretty little 18th century carved wooden holy water font, with a relief scene in the center (porcelain I think) representing Jesus and children. The holy water font is made of porcelain (cracked). The whole is in its original condition (photos). Height: 23cm. Width: 12cm.
