

Coffee Table, Late 18th Century

Description

Elegant drum-shaped coffee table in mahogany and mahogany veneer, inlaid with gilt brass fillets and decorated with molded gilt brass rods (probably added), opening with a movable slatted shutter revealing a grey Saint Anne marble tray (cracked) and standing on four fluted sheath legs, joined by a shelf with a concave front, supported by four small tapered and fluted legs (accidents, restorations and modifications). Blue Turquin marble top surrounded by an openwork gilt brass gallery. End of the 18th century. Good condition.
