### Description

Double-top coffee table by Sergio Asti for Poltronova, dating from the 1960s. Rosewood veneer tops, coral red lacquered base. This model is part of the Zelda series: an armchair and a sofa were also designed. Sergio Asti is a founding member of the UAM (Union of Modern Artists). He worked alongside the biggest production companies of his time, such as Artemide, Arteluce and Martinelli Luce... His work is also exhibited at the MoMA museum in New York.
