### Description

This exquisite mantel clock embodies the refined aesthetics and masterful craftsmanship of the French Empire period. Fashioned primarily from marble, this clock displays a harmonious blend of form and function, typical of the style. The clock features an elegant urn shape, with fluted columns supporting the circular white enamel dial. The dial is adorned with Roman numerals and elegant blued steel hands. Atop the urn, a delicate cap adds a touch of sophistication. The clock rests on a square marble base, further accentuating its elegant lines. The predominant use of marble gives the clock a sense of timeless beauty and understated luxury. Empire Style: The clock embodies the elegance and understated style of the Empire style, a period celebrated for its neoclassical influences and refined aesthetic.
