Description

Wall sculpture or light fixture. Dimensions 120 x 45 x 10cm. Unique piece created by the Belgian sculptor Jules DeWaele, better known under the pseudonym PIA MANU. A great collector of fossils and trilobites, Pia Manu takes up this sculpture with primitive and crude sculptural forms, primordial forms created by the power of nature. In concrete, iron and colored glass. Circa 1970. Representative of the Flemish brutalists He models or sculpts primitive forms with materials with a powerful or anti-poetic texture (as he himself calls them) using concrete, earth and slate.
