Description

This superb cuff bracelet is mounted with two shell cameos, a woman's profile and a man's profile, facing each other. If the bracelet itself is in vermeil, the cameo mounts are in gilded metal, they are decorated with a double frieze of flowers and flower buds, the two older medallions date from the first half of the 19th century, they were mounted during the 19th century on a vermeil cuff bracelet. It is provided with a safety chain. A small flower is missing on the edge of one of the cameos. Mid 19th century. Wrist circumference 18.8 cm.
