Description

No export out of EU without our prior agreement. Rare object to find, still in a warm condition, a cradle to carry dishes for dinners in garden, cutlery, glasses and plates, easy to carry, easy to put down, easy to clear. The carrier cage, from beautiful elm wood, with barred sides rests on 4 columns with beautiful turnings, well pegged top and bottom. Bottom, less durable, as we say today, is made of more vulgar wood, and rustically nailed. It should have been possible to change it at the slightest weakness. Condition: superb, the bottom shows traces of fatigue, some worm holes.. Primitive treen from our region of Nîmes-Arles, 18th or 19th century 44cm x 34cm x 29cm weight: approximately 2.4kg This item is for immediate purchase, payable by Paypal or credit card. - eclectic - antique dealers since 1970,
