### Description

Discover a masterpiece of French Art Deco jewelry with this 950? platinum "Toi et Moi" ring. Dating from the 1920s, its asymmetrical crossover band and notched rice grain settings embody the geometric precision and refined elegance of the Roaring Era. The ring showcases two matching old European cut diamonds (approximately 1.00 ct each, G-H color, VS clarity), accompanied by seven smaller old cut diamonds totaling ~0.35 ct, all protected by basket settings. The shoulders are enhanced with fine lines of pavé diamonds and highlighted by chiseled rice grains. Technical Specifications
