### Description

Magnificent Art Deco ring, meticulously crafted in France in the early 20th century. A brilliant-cut diamond (? 0.50 ct, F color, VS clarity), framed on each side by a row of perfectly cut baguette-cut diamonds. A pavé of round brilliant-cut diamonds adorns the top and shoulders, highlighting the geometric symmetry and reflection of light, a true signature of the Art Deco style. Cast in 18K (750?) white gold, its architectural setting and sleek band offer a striking balance between refined elegance and period boldness.
