Description

Very beautiful and bright Neapolitan gouache. It represents the Bay of Naples, animated by characters with Vesuvius in the background. I place it early 20th. It is presented in a gilded wooden frame and protected by glass. I didn't open it. Format with frame: 52.50 cm x 42 cm. Oval gouache alone format: 38 cm x 28.50 cm. Photos are taken in natural light. Careful packaging. Shipping costs at the expense of the buyer. I remain at your disposal for any additional information and photos.
