Description

Chest in walnut wood and wrought iron fittings, 17th century. Rectangular chest with base and lid with moldings, wrought iron fittings and angles on a red fabric background composed of stylized and simplified plant and architectural elements. Key lock on the front. One-piece boards in excellent condition. The characteristic prototype of these pieces is found in Spanish examples of chests for civil or religious use, used to store clothes, dishes, etc. - Dimensions: 75x190x80 cm
