### Description

France / 18th century / coat rack / oak, copper /  
Baroque / Gothic revival / antique

Antique coat rack in hand carved oak from the 18th century. This impressive rack features four animal heads, each with a round copper ring and eight hooks. In the middle geographical gothic style floral motifs and on top a spacious hat shelf. We had this unique coat rack professionally restored while retaining its original patina.

A rare find this large beautifully crafted oak coat rack, ideal for hanging your favorite accessories, coats, or bags, keeping your entryway organized and stylish. The intricate carved design adds a touch of classic elegance, making it not just a storage solution but a statement piece that
