

Pair Of Earthenware Lamps From Montigny Sur Loin, 19th Century

500 EUR

Period : 19th century

Condition : Très bon état

Material : Earthenware

Diameter : du socle: 15cm

Height : 35cm

Description

It is of course the magnificent blue color of these two lamps that catches the eye, then the delicacy of the floral decoration punctuated with dragonflies. We find in these two pieces perfect examples of Montigny sur Loin ceramics, called slip ceramics or impressionist ceramics. They are in perfect condition, the mounts are in gilded bronze. We can possibly take care of their electrification.
