Description

Rare Longines silver watch, swan hallmark inside the case, circa 1915, caliber 13.34. The movement works perfectly, it is a little slow... Original dial, with slight cracks and a small lack of enamel on the number 10. The case hinge no longer has an axis; the domed glass is in very good condition. Watch numbered 3226312.4 cm x 3.4 cm; weight 28 grams. Extremely careful shipping offered in mainland France..., to be defined for any other destination.
