Description

Silverware - Ottoman Empire - Tughra - Solid silver courtesan clasp bracelet
Superb rigid hinged solid silver bracelet, richly decorated with chiseled and embossed decorations. Silverware - Ottoman Empire - Solid silver courtesan clasp bracelet - original Ottoman Empire Tughra hallmark mid-19th century
Description
The central motif in the shape of an eight-lobed rosette recalls traditional craftsmanship of oriental or Balkan influence, with very fine granulation and punching work. The body of the bracelet has a hammered texture punctuated with geometric patterns and raised elements. Original side screw closure.
Condition: Excellent condition, no accidents, functional closure. Beautiful natural patina of the silver. Do not hesitate to contact me for any additional information or request for
