Description

Rare and endearing representation of a porcelain bear cub, from the Sarreguemines factory, sitting in a relaxed posture, its head slightly raised as if to sniff the air or observe something in the distance. This glazed ceramic sculpture, in hazelnut-brown tones, captures the innocence and curiosity of youth. Its stylized realism combines simplicity and attention to detail, particularly in the paws and the texture of the fur, evoking the animal world with a certain softness specific to the bear cub and its colors. An endearing piece, both decorative and expressive. Conditions: in perfect condition Dimensions: Height = 14 cm Width = 14 cm Depth = 10 cm
