### Description

Set consisting of a Louis XV style chest of drawers and two matching bedside tables, all in rosewood marquetry with floral decoration. The chest of drawers, curved on the front and sides, opens with two drawers fitted with gilt bronze pull handles. It rests on cambered legs decorated with chiseled bronze offcuts. The top is topped with a beige Chantonnay marble, with a sinuous line. The lock works and retains its original key. The two bedside tables, coordinated with the chest of drawers, also feature floral marquetry work. Each opens on the front with three drawers and rests on cambered legs. They are topped with the same beige marble.
