

## 19th Century Percussion Pistol

300 EUR

Period : 19th century

Condition : Très bon état

Material : Metal

Length : totale 21,5 cm

### Description

We present this piston or percussion pistol in its original condition and patina, checkered walnut stock. The ramrod is missing and the wood at the end of the barrel is slightly damaged and also a little under the lock. Sold in its original condition. The hammer works perfectly. Free shipping for France (E25)
