Material : Paper

Width : 26

Height : 36,5

Description

An ukiyo-e triptych depicting a woman and child with a deer. Looking from the left, one of the women is holding a traditional Japanese biwa lute, another is trying to feed the deer, a third is holding a child eagerly reaching out to the animal, and a fourth is squatting and holding a fan. In the background, we can see a large ishi-toro lantern, a tori gate, buildings in the distance, and a full moon. Ukiyo-e triptych, Japan, Watanabe Nobukazu (1872 - 1944).

Dimensions of a frame: 36.5 x 26 cm. A woodblock print: 34 x 23.5 cm. Title: "Japanese Flowers in the Four Seasons" "Aki no Miyajima Autumn Moon". Works framed in frames with glass. Good condition, visible stains, discoloration. Free delivery within the European Union! I ship parcels by insured mail (DPD or
