Description

Pair of Bronze Mussel Shell Sconces by Maison Jansen - 1970s (2 pairs available) Hollywood Regency Style - Sconce Pair of mid-century wall sconces, attributed to Maison Jansen, France, circa 1970s. Shaped like a mussel shell and made from cast bronze, they are reminiscent of Maison Charles lighting fixtures. However, we believe they are from Maison Jansen. Perfect for the Hollywood Regency style - opulent, decadent and luxurious - they would look at home in a bedroom, powder room, living room or entryway. Dimensions: 13 x 12 cm, height: 32 cm Materials: Brass - Bronze
