

Pair Of Bronze Candlesticks From The Late 19th Century

280 EUR

Period : 19th century

Condition : Parfait état

Material : Bronze

Diameter : 14.5 cm

Height : 22 cm

Description

In a transitional style from the end of the 19th century, these torches offer multiple motifs typical of the end of the Second Empire with others, from the naturalist movement this time, which gives an original and unusual decorative mix with a beautiful effect of opulence. In chiseled and cast gilt bronze, the cups are removable. Shipping in France and internationally, contact me for terms and conditions
