Description

Directoire period occasional furniture. The simplicity of the line lies in the straight legs enhanced by plate-shaped sabots. The top protrudes slightly from the frame. It is framed by a thin half-round gallery mounted with a miter cut ending on an ogee. The three drawers offer a contrast of mesh veining and black support, all on a blond background. The four sides of the walnut furniture are ideal for the middle of your room! Delivery possible, not included in the price.
