### Description

Sculptural pitcher signed L. Dage - circa 1930 - Glazed ceramic with metallic highlights - 28 cm  
Remarkable glazed ceramic pitcher, signed "L. DAGE", representing the French Art Deco style in all its vitality. The piece is distinguished by a bronze and gold metallic glaze, enhanced with decorative drips evoking kintsugi, although this is an original glaze effect. The neck has a raised texture, while the expressively sculpted spout and handle reinforce the artistic dimension of the object. Height: 28 cm. Excellent condition, without restoration. A rare and decorative piece, perfect for collectors of 20th century French ceramics.
