Description
-------------

Very elegant living room console in pure Louis XVI style from the 18th century in red Cuban mahogany with a top in white Carrara marble, with a top bordered by a beautiful openwork bronze gallery open to the front, with a curved side shape, all in elegance. Guilloché scrapers adorn the top of the feet at the waist, itself furnished with a practical drawer with neat oak grooves locking with a sober bronze entry, the low top in bordered spacer, practical allows you to place plates while the drawer receives the cutlery, the marble top allowing the preparation of the table, this piece being perfectly suited to a dining room. The legs in fluted tapered columns ending in the lower part in spindles finished with bronze sabots. The construction of this beautiful charming piece of furniture is neat, Parisian work
