### Description

A historical documentary treasure worthy of an Army Museum, a "unique curiosity" that this volume covered in smooth-spine vellum with the title "General-Isle Von Der Ganken Pruss. Army. Finely written, this unique document relates the different Prussian uniforms, the redingottes according to the different affiliations, of the Regiments and Battalions, according to the ornaments of the redingottes of the different soldiers and officers from the end of the 17th to the middle of the 18th century: these very fine gouaches and a fresh color of the redingottes with the decorations and the buttons of the clothes finely executed in gold, the precise texts of the Battalions and names of the Officers who are attached to them, a feat of finesse where the detail counts to situate the different Soldiers and
