

Porcelain Candlestick With Famille Verte Enamels, 18th Century, China, Qianlong Period

1 500 EUR

Period : 18th century

Condition : Bon état

Material : Porcelain

Height : 17.5

Description

18th century porcelain candlestick with Famille Verte enamels and floral motifs, dating from the Qianlong period (1736-1795) illustrating the refinement of Chinese porcelain during the Qing Dynasty. Predominantly green enamels, accompanied by touches of red, green and gold. In good condition, note slight wear on the neck of the candlestick, its shine and authenticity remain preserved. An old restoration is present at the base of the stem, professionally executed. Base diameter 11cm. Additional photos are available upon request.
