Description

Modernist candlestick in solid silver, with seven candles, signed Hans Hollein for Cleto Munari. This piece illustrates the avant-garde spirit of Italian design of the 1970s. It is both an everyday object and a contemporary art object. It was designed in 1979 and produced in 1992 in Munari's workshops. Numbered limited edition No. 52/99. Overall, the design transcends the ritual function to create a silver sculpture, typical of the sober and innovative aesthetic championed by MUNARI.
