Description

Antique glasses, fitted with oval green medical lenses, beautiful frame with extremely thin, folding temples in blued fine steel, each eye protected laterally by a fine grid, part resting on the face, by a soft silk chenille. This beautiful pair of glasses is stored in its original Russian leather case, closing by a strap. No brand, no signature. A beautiful little collector's item, used in the past when traveling, by train or steamboat to avoid embers carried by wind. French work, dating from second half of 19th century, circa 1850-1880, luxurious antique object that we guarantee authentic. Dimensions: In its box: 14cm x 4cm. Condition: excellent, no visible flaws, no breakage, lack or restoration, we only report some wear to the blue patina and on leather, See the photos This item is for
