Large Pantry Buffet

650 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Solid wood

Description

Very large vintage pantry buffet in wood and renovated wire mesh. Materials: solid wood and wire mesh. Features: This large vintage pantry has a solid wood top (oiled). It opens with a glass door in the center. It is wire mesh on the sides. Finally, it has two full-length shelves.

Renovation: this vintage pantry has been carefully cleaned and sanded to patinate its paint (light gray on the outside and sea green on the inside). The top has been oiled to protect it and restore its shine. Condition: it has traces of life given its age but it is in very good condition, both its wooden structure and its wire mesh.

Dimensions: L122 x D47 x H86.5. Spacing between the shelves from top to bottom: 25.5-28-22. This large buffet pantry can be used as a buffet, a display cabinet or a bookcase.
