Description

A 19th-century Victorian antique carnelian hardstone cameo brooch of lozenge form, set in 18ct gold (electronically tested and marked "750" on the clasp), with diamonds and cultured pearls. Height: 2in (5cm) Width: 1.7in (4.3cm) Height of cameo: 1.2in (3cm) Width of cameo: 0.8in (2cm) A beautifully carved cameo in an exquisite setting of eight diamonds in quatrefoils, 2 culture pearls, and gold flowers of different sizes and colors of gold in between. There appears to be a further mark just to the left of the "750", which we were unable to decipher. Condition: Excellent. No damage, repairs, or restoration. Shipping: Free to most destinations worldwide. If your destination does not show free shipping, please inquire.
