

Antique Rose Gold Fine Pearl Pendant Earrings

1 600 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Description

For pierced ears. Feminine and slender, dangling earrings made of a fine pearly white oriental pearl held on prongs which supports a tassel motif formed of arabesque decorations and a chiseled rose gold circle. In the center of the latter, a half-fine pearl set on prongs is set as a tassel and a small green gold leaf is set as an applique. The earrings are threaded through a long swan neck. Period: 19th century Main material: rose gold and green gold, 750 thousandths, 18 carats, eagle's head hallmark. Diameter of the pearls: approximately 2/2.5 to 2.5/3 mm. Proportions: Height: approximately 3.5 cm, width: approximately 14 mm, thickness: approximately 4 mm. Net weight: approximately 2.6 g. Authentic antique jewelry - French work from the end of the 19th century. Our opinion: These
