Description
-------------

Elegant woman from the end of the 19th century in her refined interior. She places an object on a wall console. Note the beautiful Louis XVI armchair. Oil on panel. Bears a signature that I could not decipher at the bottom right. There seems to have been some repainting here and there, barely visible, and which does not distort the readability of the work. Gilded wooden frame. Dimensions: visible 42 cm X 29 cm Framed: 49 cm X 37 cm
