Description

Mahogany games table, desk, tric-trac, 18th century, Directoire, Louis XVI. Very pretty and elegant desk table with reversible top with felt and old leather, also in excellent condition. Patina in very good condition. Also note the excellent condition of the ivory marquetry and the presence of all the period bronzes, which is very rare. Very fine work for this late 18th century piece of furniture which has the advantage of dual use, desk and games table. Undeniable elegance and quality of execution for this very pretty piece of furniture which will find its place in a beautiful interior. Possibility of sending in France and worldwide by professional and specialized carrier. Invoice and certificate provided.
