Description

Very beautiful toy, probably originally intended to be harnessed to a goat, dating from the beginning of the 20th century. Some of these carriages, reproducing the Victoria, were made in Egypt, for the children of the English colonists. This small carriage, still functional, and which could still be used, pulled by a large dog, a goat, a mini pony is also in itself a very beautiful decorative object. Two miniature lanterns and brass footboards, wooden spoked wheels, like the real ones, covered with rubber bands, seats in quilted saddle leatherette, a folding hood, real axles, drawbar and two shafts In superb condition Delivery in Belgium, France and internationally. Visible in our 2500m2 showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium. More information & photos on request.
