Description

Biedermeier, Pair of Empire Style Bedside Tables, 19th Century. Lovely pair of Empire Style bedside tables, Biedermeier in natural and blackened wood, resting on square sectioned legs. This pair of bedside tables opens with a drawer and a small door on the front revealing a small interior shelf. They are topped with a recessed gray veined white marble top. Its pilaster uprights are decorated with stylized plants and palmettes, topped with antique women's heads. Beautiful patina. Biedermeier furniture, beautifully crafted with simple and elegant lines. These bedside tables combine practical utility with their small storage spaces, you can also display your decorative objects and lighting. But also rendering a very beautiful visual with its harmonious curves and its pretty proportions,
