Famille Verte figure of Guanyin, holding a bowl in her left hand. The top of the head, hands, and visible foot are left in biscuit. China, 18th century Kangxi period (1661-1722) Height: 20.3 cm For a comparable example, see :- Biscuit Refined Chinese Famille Verte Wares, Jorge Welsh, 2012, p.206, fig.57A small chip to the left side of the headdress has caused a hairline crack extending to the back and the front of the figure, reaching the end of the sleeve. Minor loss to the applied relief decoration -- the figure was originally holding its end in her right hand. The hands are detached from the body. Two fingers of the right hand are chipped. The small bowl appears to have been reattached. More informations, and photos on request.
