

Set Of 3 "imari" Porcelain Pots. Arita Japan, Early 18th Century.

700 EUR

Signature : Arita Imari

Period : 18th century

Condition : En l'etat

Material : Porcelain

Height : 135mm

Description

Imari style enameled porcelain covered pot decorated with Phoenix and flowers. This is a very rare set because the pot contains 2 nested cups which is exceptional. This is not a late "marriage" because the decorations are identical and the volumes consistent. One of the 2 cups has a crack and the lid has a chip on the fretel and another very small one on the edge. (see photos)
Height: 135mm.
