

Wrought Iron Bolt 18th Or 19th Century

90 EUR

Period : 19th century

Condition : Bon état

Material : Wrought iron

Height : 22 cm

Description

Wrought iron target, 18th or 19th century. Target with cut-out plate. Button slider. Good condition, functional, "unrusted" and polished. Height 22 cm, plate width 8 cm. Note that it is not symmetrical because a cut-out part is missing. The whole remains aesthetic and functional.
