Description

Elegant brass and chrome high table with recessed glass top. Manufactured by Metalarte in Italy in the 1970s. Biography Romeo REGA (1904 - 1968) (Design Market) From the start of his career, Romeo Rega stood out thanks to his unique style, combining elegance, modernity and functionality. He quickly collaborated with the biggest Italian design houses, such as Cassina, Bernini, Poltrona Frau. His creations have enjoyed immense success and are widely exhibited in modern art museums around the world. Romeo Rega's creations are characterized by their high manufacturing quality, timeless elegance and remarkable functionality. In particular, he creates chrome and/or gold metal furniture, lighting, mirrors, coffee tables, consoles and sofas. The materials he uses are often noble,
