

Snuffbox Erotic / Curiosa Allegory Of The Civil And Military Splendors Of Emperor Napoléon

780 EUR

Period : 19th century

Condition : Etat d'usage

Material : Paper

Description

Rare Napoleonic papier-mâché box with two erotic views, circa 1830. Lid with the effigy of Napoleon with a multitude of symbolic figures of what made the Emperor's glory, titled "Allegory of the civil and military pomp of the Emperor Napoleon". The interior is much less austere, a perfectly fitted lid conceals two bawdy and debauched scenes, titled "the gardener at home" and "petit petit". Diameter 8.5 cm Height 1.4 cm Object left as found, to be cleaned and with two small lacks on the edge (see photo details) Price not negotiable. Payment by check or bank transfer. Shipping costs 12 euros Colissimo recommended or Mondial Relay for France, other countries contact me.
