Description

EINAL plate - Late 18th - Early 19th century.
Grand feu plate with a characteristic decoration of Epinal plates, palm tree by its shape, rim with 64 gadroons. Plate which is very rare in these colors (See photos in the reference book) Decorated with a bird perched on a branch. Rim decorated with 3 bouquets. Very good condition, no repairs, no cracks, no chips., only earthenware. Diameter 23 cm I have in my warehouse at least a hundred plates from this period from Epinal (Roosters, birds, flowers, houses ...). It is possible to contact me for any information. Sending photos possible.
