

## Tibetan Ritual Dagger

640 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 23 cm

Description
-------------

Tibetan ritual bronze dagger "Phurbu". Skull cup of three "Mahakala" heads topped with a horse's head. The handle is perfectly chiseled. The blade emerges from the mouth of a mythical monster and is adorned with two snakes. Very great details and very fine chiseling for this exceptional object. Bronze with three patinas.
