Description

Silver-plated bronze sculpture from the mid-20th century, 1940s, depicting a young woman riding a side-saddle. Very pretty sculpture with very fine details, a beautiful patina and some slight wear, but giving it a certain charm. Rare piece due to its subject and its quality of production, which will give a certain decorative effect. Can be sent to France and worldwide by secure and insured package with order tracking. Careful and insured packaging. Invoice and certificate provided.
