

18th Century Snuffbox

750 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Length : 11 cm

Width : 7,5 cm

Height : 3,5 cm

Description

We present this exceptional 18th-century snuffbox, symbolizing the crucifixion of Christ. It is oval in shape, and the owner was called J. GOUET, who must have worked as a ploughman. It has an extraordinary patina and is in excellent condition, although the hinge is missing, probably made of boxwood. (E25)
