Description

Refined valet stand in solid mahogany wood, typical of 1970s Italian design and inspired by the Hollywood Regency style. It features an elegant, stable, and slender tripod structure, topped with a wide fixed wooden hanger for jackets and shirts. A chrome-plated brass bar at the front allows you to hang trousers without creasing them. At the base, two side shoe rests complete this object, as aesthetic as it is functional. Beautiful original patina. Ideal for a bedroom or dressing room in a vintage or hotel style.
