

Antique Bronze Lamp Base, The Rape Of The Sabine Women

480 EUR

Signature : D'après Giambologna

Period : 20th century

Condition : En l'etat

Material : Bronze

Height : 39 cm

Description

Bronze representing the Rape of the Sabine Women after Giambologna. An old bronze lamp base pierced with electricity, the column forming the support of the bulb. Italian work from the first half of the 20th century. A rotating bronze, the three characters intertwining in a certain way around the column. Dimensions: 39 cm high We deliver and ship all over the world, please contact us for a precise quote.
