Description

The unpublished painting depicts a river landscape; in the foreground, on the right, a figure is intent on fishing, on the bridge, with two arches, we notice a character who quietly observes the fisherman, an individual on horseback and a chariot with driver, pulled by two white horses; on the left, high up on the mountain, stand two towers with a house, while against the blue background the browns of the small village, present on the right, are thrown. Antonio Diziani known as the lame, born in Venice in 1737, trained in his father Gaspare's workshop. The selling price is 18000EUR The estimate is 25000/30000EUR
