Description

France, 1920s/1940s, in the spirit of the creations of the Clichy crystal factory, very pretty pair of baluster-shaped vases in yellow blown glass with white zebra stripes. The green handles are worked with pliers and hot-applied. The stepped base is circular. The whole is very elegant and of good quality. Dimension: Height 18 (cm). The scale indicator in the last photograph is a small model of a lighter from a well-known brand. Good condition except for a micro-chip almost invisible on the top of one of them; without any impact on the aesthetics of these pretty pieces.
